Basic information about school inspections

School inspections are structured around six Performance Standards:

- 1. Students’ achievement;
- 2. Students’ personal and social development, and their innovation skills;
- 3. Teaching and assessment;
- 4. Curriculum;
- 5. The protection, care, guidance and support of students; and
- 6. Leadership and management.

School Inspections support the development of schools across the Emirate of Abu Dhabi. The UAE School Inspection Framework provides clear descriptions within these six Performance Standards. This framework allows school leaders and external inspectors to make judgements based on internationally recognised best practice.

School inspectors make judgements using these six performance categories:
